

Suicidal Girls

/for thePussyRiot3 embarking on 2 years in
a Siberian laborcamp/

okay scream thru my walls 4sex in a 2plex 1sickCat
their boys are crazy all night spliced w/wires head
bangs fists thru doors dance&fightdance&fight
belly button pliers glow in the dark

i live here numb in rental skull
bang bang bang they move in redone stucco studio
used to be a garage cars lived there leaked oil on the
rug wall to wall rust atmosphere end of the world
plus heat theyre not neat decorate w/fists purple
greenbluepink hair tattoos noserings amplifiers huge
ashtrays of noise on bad days it costs too much to
live here were on a one-way street wheels roll west
24/7 nothing stops no rest dont mess w/our trucks
i think their boys fuck like i take aspirin global
politics some say i wouldnt know they dont sleep
like normal people could be aliens or vampires
no jobs blowjobs blowdriers or they could be bald
women hang out on the moon stare at dead planet
MTV no pots or pans to speak of they eat boys
skinny skinny skinny

i feel sorry sometimes spikehead
genius corvair lurchd around townYouthGoing
Nowhere not much future in punk music they yell
at each other&they yell back bichicks polydicks
6packs 8trax up&down yr dreams all hell breaks
loose fuckfuckfuck you/me/anarchy/murder wheres
the cop wheres the flag wheres the earplugs wheres
the preacher homedeliverytampaxbrainapocalypse
pizza just get married and shut up

white&black scared persian kitty hides
under porch as party rages at dawn new strange girl
passed out asphalt terriblesad suitcase left behind
on a motel bed genitalrentalsingularexistence month-
to-month poetry in her head she plays guitar voice
like doomsday vomit moves in now the sound is
complete KILL EVERYTHING DUMB THAT
LOOKS AT THEM from farside of mirrors what
looks back isnt pretty on purpose this is the gestalt
leave a bowl of milk thing pukes in the parkinglot
bulimic pussycat

the news is not good
things crash into my mind
Fukuyama bloody mama clash of civilizations
everybodys brain world slowlyfalling global bldg
nobody believes before yr eyes 9/11/2001
sunny day blockbuster movie NYCity bigger
noise than girls radiotvLife-in-trauma hypnotic
drama remotes dont turn it off
Nostradamus on CNN a september month yr
HolyKingofTerror bangs LadyTowers on their
way toHeaven they are nuts as foretold this
osamabinMabus *rare avis* i think he flew solo
into buddhas statue in some remote desert region
nobody cares except he did it again bird ofPray

they eat yr sirens cellphones meltdown computers
GogMagog angels plagues smoke fire pain they
smote a BigOne this time WallSt confetti of body
parts stocks&bonds roasted sparrows a trillion
Revelation pages flying around as torn wings as
final things infomercial WorldsEnd desert bibles
neon tribals electropsycho *uber alles* endTimes
dont seem to End 2000 miles away my
glass eyes explode the NationalEnquirer on the
spot each Tower had its own zipcode zip zip
yip yip sha na na up yr nose as earth says this
is how it feels

ragnarok girls so secularTribecular
just want to party & be peculiar History busts in
w/guns nasty as hormone problems zits condoms
revolution they rise to the occasion plug-in fingers
speed drums dirty throat gutter drains&screams
they wanna put a sack on my head bangbang
somebody wants a blackbag over my brain
its a catchy tune

planetary media groins crash&burn
man has a Vision God hates women is religion
Headbanger thumps his brow on the ground the
more dull lumps on yr mind the more devoted
U R the skull of a mullah has many bumps *sub*
mission toAllah thumpthumpthump if females
do this they expose their rumps so We must be
Invisible like Terror to scare the children 4God
the more you dont belong to yr body the more U
belong toGod submission to *Love* o yeah

they talk this shit to
BigZip 1440 minutes a day the girls say it sucks
but not in a good way if you cant evolve or dance
or read just fuckmybrainz&breed me blackwrap
toe to head MSbodybag of livingDead example
over the city the earth gasp for breath no fists
laughter thought libraries galleries of stars a huge
anoxiablue vinylplastic drastic shroud yr dreams
for worms burqa woman burqaAll FEARfashion
necrophilia Earth bends over let them feel ya
HolyDicks gag yrmouth for aDeathSquad
cover my tits for the Inquisition

IslamBamBam thank you mam piety humps the
female WildWest under rubble i hear it scream
war on ourHoles *waronourHoles* they wanna
blow us up cuz we areHoley

they wanna put a bag on the
Statue of Liberty

400 years but nothing changes

a continent they
came to pray&pillage stayed to pay rent grow
roots build highways multiply be fruitflies Quiet
housewives but cant stop going crazy it must be in
the water psychedelic daughters dogs drink their
piss &freak out
it takes a lot of sex to get beyond sex (VSolanas)
so here we are and all the virgins are psychotic
BornAgain fanatics w/whips talkshows burning

God in hiz bloodshot eyes kill on his hands death
too late to wake up go back to soap opera i read
RevelationsRevengeText on myPC all natures
children on their knees just wait till Jesus comes
back just wait till yrDaddy gets home takes off
hiz belt its thick hell whup yr butt hell fuck up
yr damn Constitution *take that take that*
whoa those girls move out their
inner bitches throwback witches every stop West
more sure lessPure this is a new world congenital
Rebels dna progeny of misogyny know whats
happening T&A twitch&spin gyrate cablevision
give Puritan fathers what they want HOT SEX
give thanks to whatever made matches ropes
paper documents money jails &beer

burning times are here
how redundant and the poor girls have been
shaking for so long to advertise it was coming to
tell you look out look out

now who can eat
the world is starving barely breathe air is so fat
citizens so stupid water full of shit &food likewise
1)they discipline themselves to meet the threat 2)
liberate origynal cunt deworm the cat 3)their
new hit on the list of coming fatwas
PUT A SACK ON YR OWN FACE ASSHOLES
how did they cross the ocean how do i cross the
street daily life is everywhere else the bodies are
exploding in open markets you must learn to
separate human parts from the fresh fruits &
seasonal vegetables even worse in fish&poultry
sections except the meat is raw on ice and human
parts usually cooked but look at it
this way everything is organic who cooks
anyway it takes too long i like things in cans and
plastic packets smaller than a breadbox ziplock
poptop too busy dancing to eat worry shit my
mommydaddy sunday comix usedcarsalesman tv
preacher promised land parkinglots happiness
so the world is flat would they lie? if i fall off
the edge thats better than Afghanistan they
cant dance they dont eat they die in the street
in fever chewing grass delirious like theIrish
except Afghans dont have any grass like Irish
had no snakes but it worked anyway history
repeats if you let it or forget: humans not doomed
by Nature but by DumbIdeas im starting to
like these loud girls when they scream in the
daytime it must be serious *****

--barbara mor
